General Comments
<p>Snacks are provided for the children and menu is included with the parent handbook. Operator has it posted in facility.</p> <p>Operator stated that there has been no illness to report and has not had to use the management of illness forms. Covid-19 guidelines are being followed.</p> <p>Outdoor play space could not be inspected due to snow coverage. Depth of surfacing around swing set and a thorough inspection to be conducted once snow melts.</p> <p>Discussed programming with Operator. The admitted that they were struggling with the programming and documentation. Operator stated that the children's activities are shared through media with the parents. Licensing staff advised operator to print the activities out and keep them in a file for verification purposes. Please continue to build a purposeful pre-planned program. Licensing staff recommended to operator to use a calendar to document pre-planned activities.</p> <p>Operator stated that they have appropriate coverage to transport children but usually doesn't as they can only accommodate 3 children.</p>
