| General Comments |
| <p>Licensing staff arrived at the licensed early learning and care home on July 21, 2022 at approximately 9:30am. The children were getting ready to go outside on this very sunny day.</p> <p>While outside the children had their water cups with them and because it was already very warm outside, the children took many water breaks. The morning sun was shining on the outdoor play space this morning during outdoor play. The operator relayed to licensing staff that in the afternoon, the trees on the playground, provide adequate.</p> <p>The operator engaged with the children throughout the monitoring inspection visit. The children played on the swings, played with trucks, balls and collected rocks of different shapes and sizes. The children also ran in and out of the trees that provide a natural boundary for the children.</p> |
