<p><b>General Comments</b></p> <p>Monitoring inspection performed. No non-compliances during this visit. The Quality Assurance monitor was on-site to verify the purposeful planning and documentation of the programming. The facility implements an inclusive daily program which contains a variety of purposely planned activities, opportunities and experiences.</p> <p>She also verified if all documents needed were posted in a visible and prominent place in the facility. The contact information of the QA monitor was not updated from recent changes. QA monitor left her business card to the operator for her to post.</p> <p>Quality assurance monitor was able to observe snack, circle time, and activity stations. During circle time, operator read a book, sang songs, danced and played little games with the children. Operator and educators facilitate children's learning by engaging in play and asking open-end question. Positive interactions were also observed between educators and children.</p>
