General Comments
<p>Visit to the facility for annual inspection. Ratio is respected during the visit.</p> <p>Toxic and chemical products upstairs are inaccessible to children, however they must be under lock and key. Recommended that chemicals be moved to a space with a lock or adding a lock to the cupboard.</p> <p>The outdoor play area will be re-inspected once the snow melts.</p> <p>Observations:          Infants: Three were outside playing, two were playing indoors and one napping. They then had lunch and were getting ready for nap.          Junior toddler room: Children were outside then came inside, educators initiated circle time and the children joined in. They then had lunch and were getting ready for nap.          Two year old room: Children were outside for walk then came in for lunch. They were preparing for nap time.          Three year old room: Children were outside for a walk and came in for lunch, were preparing for a nap.          3/4 year old room: Were outside playing in the outdoor play area, came in for lunch and were getting ready for nap/quiet time.</p>
