General Comments
<p>Visit to facility to complete follow up inspection. Ratio was respected during visit.</p> <p>Discussion with Operator: Staff under the age of 19years old or who do not have valid CPR certification cannot be left alone with children. Operator is to send proof of completion for staff currently enrolled in the 90hr course. Once all educators have completed the Introduction to ECE course or hold an ECE certificate, facility will meet requirements under the Act and regulations. License is recommended for another year.</p>
