Comments: The changing pad in the older 2's room is missing a strap. Diaper changing will be done on floor with mat until changing station is equipped with straps. Deficiency is now compliant			
46(1) An operator of a licensed facility shall only administer medication to a child receiving services at the licensed facility in the following cases: (c) if the medication is not prescribed, the medication is (i) in the original container with the original label, (ii) in a container with child protective caps (iii) labelled with the child's name and the dosage.	46(1)(c)	Apr 01, 2024	
Comments: Many non-prescribed medications did not have dosage indicated on label. Medications must be labelled with child's name and dosage.			

General Comments

Visit at the facility to complete renewal inspection. Ratio was respected during visit.

Outdoor play area will be re-inspected once the snow has melted.

General Comments

Observations: When arriving at the center all children were playing outside. Once inside, they washed their hands and got ready for lunch, and all got ready for nap time.
