General Comments
<p>Visit to facility to complete annual renewal. Ratio was respected during the visit.</p> <p>Discussion was had regarding the administration of medication with the operator. Medication administered to children is only provided by the child's parents, except for acetaminophen. Facility has clear medication procedures to ensure that children are receiving medication properly and safely.</p> <p>Outdoor play area will be re-inspected once the snow melts.</p> <p>During visit, children were observed playing outside, participating in planned activities and free play. Diaper changing, nap time and mealtime were also observed.</p> <p>Facility meets requirements under the Act and regulations, license will be recommended.</p>
