Order for Compliance	Regulation	Date to be corrected	Date corrected
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (a) varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	32(1)(a)	May 20, 2022	
Comments: Room 10: Art materials not available for the children. Discussed having art materials in labelled clear container, available for the children but not accessible unless under direct supervision.			
40(1) An operator of a licensed facility shall ensure that personal belongings of a child receiving services at the licensed facility that are brought to the licensed facility, including combs, brushes, toothbrushes, towels, washcloths, bedding, pacifiers and soothers, are (a) labelled with the name of the child.	40(1)(a)	Apr 27, 2022	Apr 27, 2022
Comments: Room 10: One pacifier in infant sleep area in a container that was not labelled. Corrected during renewal inspection.  Deficiency is now compliant			

<p><b>General Comments</b></p> <p>A renewal inspection was conducted today.</p> <p>The children were observed during inside play, lunch and naptime.</p> <p>The learning environments are welcoming and each room has a variety of materials for the children to interact and engage with. Educators were eager to show their rooms and discuss what the children were learning and engaging with.</p> <p>Educators were observed down on the floor with the children having respectful and responsive relationships, conversations with the children and tending to the children's individual needs.</p> <p>In each of the learning environments the children's learning is displayed in a variety of ways: Webs, learning stores, pictures and art. These are displayed low so that the children can revisit these experiences at any time.</p>
