| General Comments |
|---|
| <p>A renewal inspection occurred today.</p> <p>Recommending that the facility update their Fire Safety plans that are posted throughout the building to reflect the changes and division of rooms since the building was initially licensed.</p> <p>Discussed small loose parts with children under 3 years of age. These can be used but under direct supervision only. They are to be kept out of the reach of children as they are a choking hazard.</p> <p>Discussed with educators Plexiglass bulletin boards in the room, placed low to display the children's learning and pictures.</p> <p>Educators in all rooms on this license were observed down on the floor engaged with the children in their learning and play. Handwashing and Diaper changing routines were observed numerous times throughout the inspection.</p> <p>The children were observed during morning snack, outside play, lunch, nap/quiet time, inside play and afternoon</p> |

General Comments

snack.

Educators were observed tending to the needs of the children appropriately and speaking kindly to them.
