General Comments
A renewal inspection occurred today During the inspection the children were observed during outside play, going for a walk, playing in the infant gym, lunch and nap/quiet time. The children's learning is documented and displayed in each of the learning environments in the forms of pictures, captions, learning stories. There is a wide variety of age-appropriate materials for the children to interact and engage with. Educators were observed down on the floor engaged with the children in their learning and play. Diaper changing procedures was also observed occurring several times during inspection visit. Educators were observed cuddling the children, tending to their needs and appropriately speaking to the children.
