General Comments

A renewal inspection occurred today.
All staff files were reviewed and verified complete. A random review of children's files occurred, and those files were verified complete.
Child sized furnishings and age-appropriate materials were observed in each of the learning environments.
Educators were observed down at the level of the children, engaged in their learning and play.
Natural loose parts were observed and documentation displayed throughout each of the learning environments depicts children's interactions with these as well as other materials.
Visual daily routines were observed, these support with transition times for the children.
Children's art and pictures of the children are also displayed throughout the learning environments.
Positive interactions between the Educators and the children were also observed.
