General Comments
A Monitoring Inspection was completed this morning. Children were getting ready for outdoor play at my arrival. Inside the classroom, there were several learning invitations and activities ready for the children. The Dramatic Play area had a play kitchen and plenty of kitchen supplies. The Building, Arts and Crafts, and Literacy stations were also well stocked with materials. Documentation in the form of pictures and stories were posted on the walls throughout the facility. Valentines Day activities and materials were also observed. Children were observed playing in the snow, laughing, and full of smiles.
