Comments: Deficiency is now compliant			

<p>General Comments</p> <p>Operator must ensure that protective receptacle covers are installed in all electrical outlets where children under the age of 5 are present. One electrical outlet was missing a protective receptacle cover during the inspection and the educator corrected it immediately.</p> <p>The educator uses webbing as a planning tool however most of the children's art and all of the learning stories had been sent home. QA Monitor advised that children's learning must be visible at the facility and discussed with educator and director some ways to ensure this requirement can be met at all times.</p> <p>QA Monitor to email Director with list of resources, lending library, etc...</p> <p>Reminder that as per ECS Act Section 55 Confidentiality, pictures and videos of children are not stored on staff members' personal recording devices, such as telephones, electronic tablets and cameras. Operators are encouraged to purchase cameras for use within the facility.</p>
