

Early Learning and Childcare Facility Inspection Report

Type of Inspection:
Renewal Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

Name of operator Northend Learning Center Inc.	Licence Number 2013611	Inspection Date June 19, 2023
Facility Name Northend Learning Center 3		Telephone Number (506) 384-5437
Address 96 Gorge Road Moncton NB E1G 1E6		
Name of Early Learning and Childcare Licensing Staff Sarah MacDougall		Position Title Inspector

Order for Compliance	Regulation	Date to be corrected	Date corrected
21 The daily activities of a licensed facility shall be purposely planned in advance and documented and shall respond to the capabilities, needs and interests of each child.	21	Jul 03, 2023	
Comments: One educator was unable to provide programming to the inspector. Administrator must ensure that programming is purposely planned and documented. A discussion was had regarding different methods of documenting the programming. Programming will be verified during the follow-up inspection.			
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	Jul 03, 2023	
Comments: Inspector observed some of the wires of the black fencing are coming apart and will need to be resecured to the fence in order to ensure that the outdoor play area is maintained safe and free of hazard.			

<p>General Comments</p> <p>During the renewal inspection, inspector observed the children arrive from school and indoor play. Inspector observed free play, some children were making clothes out of fabric while others were playing sports. Inspector observed positive interactions between the educators and the children, such as setting reasonable boundaries and rules that make sense to the children. Inspector observed that the classrooms are set up based on the children's interest, such as a horse stable corner.</p> <p>Inspector observed that the children's allergy information was posted in the eating area of the classroom. A discussion was had with the administrator regarding ensuring that the children's allergy information is posted in the food preparation area. The information was moved above the microwave immediately by the administrator.</p> <p>A discussion was had with the Administrator regarding a large puddle of water that accumulates in the outdoor play area after rain. Administrator indicates that they are looking at possible solutions to ensure that this drains properly.</p> <p>Administrator must ensure that the inspector's name and contact information is updated within the facility.</p> <p>Ratio was respected during the inspection.</p>
