<p>General Comments</p> <p>This was my first visit to Get Active After School.</p> <p>All children washed hands upon arrival and before eating snack and all Covid protocols are being followed.</p> <p>The centre is very inviting for afterschool children. The space is bright and kept very clean. All resources and materials were in great condition.</p> <p>The educators and operator take a lot of pride in having strong programming that meets the needs of afterschool children. Electric go-carts and soccer baseball were on the plan for the afternoon of my visit.</p> <p>This is a large centre but the routine is well planned and the afternoon runs smoothly.</p> <p>Both the operator and educators treat the children with a lot of respect and kindness.</p>
