| <p>General Comments</p> <p>On the afternoon of the monitoring visit, children were in the gym playing basketball and in the main space playing cards, ping pong, pool and chatting with their friends.</p> <p>During the arrival and snack time for this age group, child to staff ratio was not maintained. 38 children were present with two educators. The director was waiting for his third staff to arrive. The staff member did arrive, and ratios were then maintained for the remainder of the visit.</p> <p>Positive child guidance was observed at all times during the afternoon. Educators were observed talking to the children about their weekends and their sport activities. Educators and staff are excited for the Get Active Halloween Family Event this upcoming weekend.</p> <p>Fire drills are up to date and recorded. Minor, non-reportable incidents are being recorded in a binder.</p> <p>Children were immediately signed in upon pick up from school and attendance forms are well-organized and were easily verified. Absence codes are being used.</p> |
