**General Comments**

Upon Licensing Staff arrival, Laura Casey and Megan Munden, the children were playing cards, ping-pong and were preparing the scooters and electric bikes for an outing.

Educators and the Administrator were engaged with the children during free play and sat with the children during snack time. After snack, the group moved into the gym for a game of fishes and whales. Problem solving during the game was observed and Educators intervened when required.

The facility was clean and organized. Child and staff files were in order and required documents were in place. The weekly program was posted upon entrance and was provided to parents in advance.

Licensing staff observed a parent drop off their child outside the main door and did not accompany them inside. Educators and the Administrator were in the gym area and were unaware of the child's arrival. As a safety precaution, please ask that parents escort their children inside the door to allow a safe arrival. If staff are not in the main area, please have the parent find their child's group prior to leaving.
