

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Renewal Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

Name of operator Sherrie Struble	Licence Number 2013651	Inspection Date June 13, 2023
Facility Name Magnetic Hill Academy		Telephone Number (506) 961-6494
Address 777 Front Mountain Road Moncton NB E1G 3H2		
Name of Early Learning and Childcare Licensing Staff Sarah MacDougall		Position Title Inspector

Order for Compliance	Regulation	Date to be corrected	Date corrected
12(3) An operator of a licensed facility shall ensure that a criminal record check or a vulnerable sector check, as the case may, and a check with the Department of Social Development is conducted on each staff member and associated person at least every five years.	12(3)	Jun 27, 2023	
Comments: An associated person's Social Development check has expired. On May 1st 2023, operator requested that a new Social Development check be done, however has not yet received an update regarding this. Operator attempted to contact Social Development for an update during the inspection. Operator must ensure that a new Social Development check is received and placed in the associated person's file.			
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (ii) the name, address and telephone number of the child's medical practitioner.	24(1)(b)(ii)	Jun 27, 2023	
Comments: 1 of the children's records is missing the address for their medical practitioner. Operator has asked that the parent provide this information. Operator must ensure that this is added to the child's file.			
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (d) associated person records that include (ii) a copy of a check with the Department of Social Development.	24(1)(d)(ii)	Jun 27, 2023	
Comments: An associated person's Social Development check has expired. On May 1st 2023, operator requested that a new Social Development check be done, however has not yet received an update regarding this. Operator attempted to contact Social Development for an update during the inspection. Operator must ensure that a new Social Development check is received and placed in the associated person's file.			
27 An operator of a licensed facility shall obtain the written consent of a parent or guardian of a child receiving services at the licensed facility before doing any of the following: (f) permitting the child to participate in an outing.	27(f)	Jun 27, 2023	
Comments: Operator indicates that the children are brought to the zoo and Butterfly world for outings. Operator must ensure that a written consent is obtained for all outings and excursions taken off the premise. The consent form should outline the date, time of departure and return, destination and purpose of trip and any special considerations.			
30(3) An operator shall maintain the indoor play area of a licensed facility to ensure the safety of the children.	30(3)	Jun 13, 2023	

Order for Compliance	Regulation	Date to be corrected	Date corrected
Comments: Inspector observes that there are bins of materials that are stacked on top of each other on top of a rolling shelf. As this poses a safety hazard, Operator must ensure that these are placed elsewhere.			
38(3) An operator of a licensed facility shall provide one potty chair or training seat for each group of three children who are being toilet-trained.	38(3)	Jun 16, 2023	
Comments: A potty training seat is provided for children attending the facility. However, inspector observes that this is placed on the washroom floor when not in use. Operator must find a solution to ensure that the training seat is kept off the floor when stored.			
41(1) A licensed facility at which services are provided to children who wear diapers shall have a sturdy surface that is (a) equipped with rails or safety straps.	41(1)(a)	Jun 13, 2023	Jun 13, 2023
Comments: The diaper changing surface is equipped with a safety strap, however Inspector observes that this was not used after the child was placed on the changing table. This was addressed with the Operator, who used it immediately. Deficiency is now compliant			

#### General Comments

During the renewal inspection, inspector observed indoor play, outdoor play, the lunch period as well as the rest period. Inspector observed positive interactions between the Operator and the children, such as getting on the children's level to interact with them as well as gentle reminders. Operator was seen reading stories to the children. Inspector observed children washing their hands before and after lunch as well as the Operator providing fresh water to the children after coming inside after outdoor play. The children are learning about caterpillars and appear to be interested in this topic.

Operator must ensure that a garbage can with a lid is added to the washroom for used diapers.

Ratio was respected during the inspection.
