General Comments
<p>During my visit I reviewed attendance records for children and Educators track arrivals and departures daily. Children involved in sensory activities, story time, quiet time activities, some napping and then getting ready for outdoor play. Lots of interaction between children and staff.</p> <p>As per the regulation above, The Operator will post annual inspection reports in a conspicuous place (parent board, front entry) and also monitoring reports. Thank you.</p> <p>I observed incident reports and educators are tracking incident reports and storing in a binder located in the office area. Please ensure the reports stored include the parent signature so departmental staff can review. Thank you.</p> <p>A couple of staff waiting to enrol in 60 hr Introduction to ECE training.</p>
