General Comments
<p>Monitoring inspection performed.</p> <p>*This region has moved to the orange zone and hence covid guidelines are being followed and the operator is documenting when parents confirm they are screening children prior to coming to the centre. As per discussed with the Operator there is a new screening questionnaire that is now posted on the parent portal. Please post this outside and ensure parents are aware. All staff should be tracking the daily log sheet in the classroom. There is a new log sheet that you can print for any essential staff that enter the building.</p> <p>*Two staff have finished the curriculum and now taking the 60 hour Intro to ECE. All other staff have completed the 1 year ECE Certificate/diploma.</p> <p>* Always observe great programming and lots of staff interaction with the children. Most children down for a nap during my visit. The 3-4 year olds are busy involved in individual and group play experiences. Also the school age group are here today as this is a school PD.</p>
