General Comments
<p>There was only one child in attendance during the visit. The child was sitting at the table playing with playdough. The operator was sitting with child asking a variety of questions to help promote vocabulary and conversation skills.</p> <p>After snack time the operator went for walk to the park. While at the park the child was able to explore by digging in the rocks, walking in puddles and playing with the balls on the paved surface.</p> <p>The operator is kind, patient and gives gentle direction as observed during transition times.</p>
