<p><b>General Comments</b></p> <p>On the day of my visit some of the children were enjoying outdoor play and the other two groups were inside. Each group has their own scheduled outdoor play time. Holly has refreshed the outside play area and it looks great. She has added gardening boxes, flowers, a swing, monkey bars, a shaded area in the back and a bike path along the perimeter. The pea gravel is migrating over the sidewalk path where the children bike and wooden edging along the inside might be helpful with this problem. They have water and a sand box and they take a lot of their inside toys outside.</p> <p>Holly and I spoke about continued professional development and she will remind her staff about these opportunities.</p> <p>The atmosphere was calm and loving and the children and staff enjoyed the beautiful day.</p>
