

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Renewal Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

|   |
|---|
| General Comments  |
| <p>During the renewal inspection, the inspector observed the educator playing cards with the children, snack time and indoor free play.</p> <p>The educator had a discussion with the administrator about outdoor play. When outdoor play doesn't take place at the facility, outdoor play happens in the school playground while children are waiting to be picked up.</p> <p>The ratio was respected during the inspection.</p> |
