<b>General Comments</b>
<p>Visit to facility to complete annual inspection during COVID-19 period. Ratio was respected during visit.</p> <p>Reviewed COVID-19 guidelines with operator. Recommended that operator remove dolls with hair / plush bodies, sponge blocks, natural wood and curtains in play areas unless these items can be washed daily. Discussed drop off and pick up procedures, recommended that parents entering the building wear a mask and follow screening protocol. Recommended that changes made be added to COVID-19 operational plan.</p> <p>Discussed with operator the fence surrounding the outdoor play area. The fence is secured in place, however it is starting to lean outwards and will need to be repaired in the future. Operator confirms that work will be done to the fence by next spring.</p> <p>Operator will send 30hr course completion when staff member completes the course.</p> <p>Operator added updated signed declarations to a few staff files during the inspection.</p> <p>Recommended child profiles be reviewed to ensure that complete medical practitioner information is present.</p> <p>Facility is awaiting fire and health recommendations.</p> <p>Observations: -Children from both groups played outside for during of the inspection. -No school-aged children were present as inspection took place in the morning.</p>
