Order for Compliance	Regulation	Date to be corrected	Date corrected
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	Oct 27, 2025	
Comments: One playhouse has been taken out of the play area. The second playhouse with missing trim work and protruding nails/screws is present. The second playhouse has been blocked off so that children do not have access until it is fixed.			
38(1) The children receiving services at a licensed facility shall have access to washrooms that include the following: (a) if one to nine preschool children or school-age children are receiving the services, one toilet and one sink; (b) if ten to 24 preschool children or school-age children are receiving the services, two toilets and two sinks; (c) if 25 to 49 preschool children or school-age children are receiving the services, three toilets and three sinks; and (d) if 50 or more preschool children or school-age children are receiving the services, four toilets and four sinks.	38(1)	Oct 27, 2025	
Comments: One toilet is currently broken which leave 2 toilets for 34 children. A plumber has been contacted and is scheduled for repair.			
46(1) An operator of a licensed facility shall only administer medication to a child receiving services at the licensed facility in the following cases: (c) if the medication is not prescribed, the medication is (i) in the original container with the original label, (ii) in a container with child protective caps (iii) labelled with the child's name and the dosage.	46(1)(c)	Oct 01, 2025	Oct 09, 2025
Comments: The non prescribed medication on site was verified and are all in their original child safe container labelled with the child's name and dosage. Deficiency is now compliant			

General Comments
Visit to facility to complete follow up inspection. Ratio was respected at time of visit. No school aged children were present as visit was completed during the morning. During the visit, preschool children were playing in the outdoor play area.
