General Comments
<p>Visit at facility to complete annual inspection. Ratio was respected at time of visit.</p> <p>Discussion with operator and educators regarding materiel in outdoor play area. It is recommended that materiel be added as is currently only just sufficient for the number of children in attendance.</p> <p>Preschool child was having lunch when I arrived. Once lunch was finished, he colored with educator at the table. Later, school aged children arrived. They stored their belongings in storage space and joined the group.</p> <p>Facility meets requirements under the Act and regulations, license will be recommended.</p>
