Order for Compliance	Regulation	Date to be corrected	Date corrected
20 For the purposes of section 17 of the Act, the requirements with respect to the transportation of children are as follows: (c) the driver of a motor vehicle and the motor vehicle must be in compliance with the Motor Vehicle Act and the regulations under that Act.	20(c)	Feb 15, 2023	
Comments: During the renewal inspection, the inspector observed that the inspection sticker of the van expired on December 31, 2022. The vehicle must be in compliance with the Motor Vehicle Act and the regulations under that Act before it can be used to transport children.			
21 The daily activities of a licensed facility shall be purposely planned in advance and documented and shall respond to the capabilities, needs and interests of each child.	21	Feb 10, 2023	
Comments: During the renewal inspection, the inspector finds that daily activities are not deliberately planned. The operator must ensure that programming is deliberately planned and documented. Operator must demonstrate that planning is a process that involves engaging the children and reflecting on the children's interests, passions, strengths and abilities.			
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (e) the name and telephone number of the inspector.	25(e)	Feb 03, 2023	Feb 01, 2023
Comments: During the renewal inspection, the inspector observe that the name and number of the inspector is not posted in a visible area inside the facility. During the inspection, the name and number of the inspector was placed on the main billboard. Deficiency is now compliant.			
45(1) An operator of a licensed facility shall require a parent or guardian of a child receiving services at the licensed facility to (b) indicate whether the absence is due to illness or otherwise.	45(1)(b)	Feb 01, 2023	Feb 01, 2023
Comments: During the renewal inspection, the inspector observed that the absence codes are missing for 2 out of 7 children. During the renewal inspection, the operator indicated the reasons for absences. Deficiency is now compliant.			

<p>General Comments</p> <p>During the renewal inspection, the inspector observed snack time, indoor free play and a fire drill.</p> <p>During the inspection, the outdoor playground is covered with snow, therefore the inspector was not able to verify if more than one type of material allowing different types of activity is offered. It is recommended not to use the large play structure in the park since the ground is frozen. Park assessment will be done in the spring</p>
