<p>During the renewal inspection, the inspector observed the children's arrival, snack time and indoor free play. The inspector also observed the operator playing board games with children,</p> <p>During the inspection the ground was snow covered; therefore, the park assessment will be conducted in the spring with a member of the licensing team. The use of the outdoor play structures is not recommended as the ground is frozen and does not provide protective surfacing.</p> <p>The ratio is respected during the inspection.</p>
