<p>General Comments</p> <p>The Quality Assurance Monitor is on site for a monitoring inspection. The following elements were verified:</p> <ul style="list-style-type: none"> - Washrooms - Storage space - Personal belongings - Diaper changing - Nutrition - Outdoor play area - Outdoor play area materials and equipment <p>During the inspection, children were observed engaging in a variety of activities both indoors and outdoors. The children were also observed celebrating Valentine's Day. Activities included participating in Valentine-themed games, enjoying a Valentine dance party, and exchanging Valentine cards with their peers.</p> <p>The Quality Assurance Monitor had a discussion with the staff member in charge on the day of the inspection regarding the storage of infant milk bottles. As per regulation, infant bottles must be stored in the refrigerator. One milk bottle was observed in a bag with an ice pack, and another bottle was stored at room temperature. After our discussion, the staff member immediately moved both bottles to the refrigerator and will discuss the matter with the parents involved.</p>
