<p>General Comments</p> <p>Renewal Inspection:</p> <p>A variety of materials available for the children to interact and engage with. Children's art and learning displayed beautifully on the walls for them to revisit and for others coming in the learning environment to observe.</p> <p>Children observed exploring with a large box in the room and are free to explore their creativity with it. Sunflowers in the room as well and children were observed exploring them with the educators and dissecting them with tweezers and hammers to see what is inside each one.</p> <p>Educators and children observed speaking respectfully to each other. Outside play not observed during inspection due to inclement weather.</p>
