<p><b>General Comments</b></p> <p>The school age children were present due to the half school day on Fridays. The children were moving between the playroom, family room and kitchen. Cindy was engaged in a lot of behaviour management with the school age children today.</p> <p>Cindy has moved her changing table into the nap room close to the washroom sink. I suggested some activities to be set up in that room for children to play while waiting for other children to be changed.</p> <p>Cindy has been documenting through photos, art activities and Facebook. She would like more curriculum support for planning and documenting.</p>
