Comments: Operator had an associated person who was at the facility without a social development check. Operator was advised and agreed that this person would not return until the social development check was received.			

General Comments
<p>The Operator has incorporated many more learning centres in the facility. There is a variety of materials and equipment for them to explore and enhance their learning with.</p> <p>The Operator is using pictures, artwork, and individual binders to document the children's learning. There is a pre-planned program and the Operator's planning is reflective of the children's interests.</p> <p>The filing system is organized and most documentation was complete. There is an associated person on site who requires a check to be completed with social development and Operator was advised that this person cannot return until the check has been completed.</p> <p>Please be aware that children who take bottles cannot be put down to sleep with them.</p> <p>Licensing staff can now recommend facility for licensing.</p>
