**General Comments**

Regular monitoring inspection was performed on this date. Children were in the outdoor play area upon arrival of licensing staff.

Outdoor space is offering a lot of opportunities for the children to explore, there is a mud kitchen, large wooden blocks, a school bus, play climber and several trucks and materials for digging and scooping.

It is recommended that the pea gravel be raked up under the play climber to ensure enough protective surfacing is surrounding the equipment.

Children were dressed appropriately for the cooler weather and were engaged throughout the visit. Positive behaviour guidance was observed at all times.
