General Comments

The children were very curious to see licensing staff sitting in their classroom when they arrived. The children were quite talkative and asked who the licensing staff was. All children observed were very happy and playing. The children were all being maintained in their bubbles.

When observing the children in the gym area it was evident that they were having fun while maintaining their group bubbles.

Please update your board with the new Inspectors name and phone number as the previous inspector's name is posted.

Please ensure that the screening questions are being asked when people arrive at the centre.
