General Comments
<p>Children are transported to the facility by the Get Active busses. Children were immediately signed into the attendance upon pick up at school. When arriving at the facility, all children washed their hands.</p> <p>On the afternoon of the monitoring visit, children were playing in the gym and activity room. Children were observed playing pool, ping-pong, a basketball game called Knock Out and XTag. Other children were playing cards and building with Lego. I saw educators engaged with the children playing the tag game and playing cards.</p> <p>The children and staff are excited for the Get Active Family Halloween Event this upcoming weekend.</p> <p>The September fire drill was completed and is recorded/posted on the information board.</p>
