<p>General Comments</p> <p>At the beginning of the afternoon. children had snack and then moved to the gym and breakout rooms.</p> <p>Group 1 went to the gym and played X-Ball and Secret Agent Tag. The educators took time to explain the directions and make sure all children understood the rules. Expectations were clearly set out to children on safe game play- running with their head up, safely throwing the ball and sitting with their legs crossed if they were out. Educators and the owner played the game along with the children.</p> <p>Group 2 was in the activity room and different activities were happening. Children were coloring, playing a game of hand hockey and playing with Akedos and Lego. There were two foosball tables, a pool table and a ping-pong table in the room as well which the children could play with.</p> <p>Groups also had the chance to go in "The Warehouse" and ride the go-carts. Educators remained vigilant in ensuring the safety of all children.</p> <p>The Emergency Evacuation and Fire Drill, Smoke Alarm, Smoke Detector and Fire Extinguisher Check form is being completed and is up to date. Weekly cleaning chart was observed and filled out. Daily cleaning was also observed during the monitoring inspection. The centre was well-maintained and clean.</p> <p>All required postings are well-organized on the parent board.</p> <p>Lots of interactions between staff and children was observed. Educators took interest in what the children were doing and saying.</p>
