Address 180 Main Street Fredericton NB E3A 1C8			
Name of Early Learning and Childcare Licensing Staff Laura Casey		Position Title Inspector	
Order for Compliance	Regulation	Date to be corrected	Date corrected

<p><b>General Comments</b></p> <p>Upon Licensing staff arrival to conduct the renewal inspection, head counts were conducted as the children exited the bus. Before parking the bus, the driver was observed conducting a secondary safety check to ensure no children were left on the bus.</p> <p>During lunch, the children ate together at tables and Educators were observed assisting with packaging and warming up lunch items when needed. After eating, there was evidence of daily routine as the children packed up their lunch bags while Educators swept the floors and cleaned the tables. Clear directives were announced for activity time and the children lined up along the wall before breaking into two groups. One group went to the gym to play X-Tag and Dodge Ball while the other group was observed colouring, playing a board game with an Educator, playing pool and foosball, as well as mystery solving game. Educators in both groups were actively engaged with the children and were observed offering words of encouragement and gentle reminders on playing safe. Later in the afternoon, the groups rotated activities and were observed playing in the warehouse space and in the back playroom building with magnet tiles and colouring with Educators.</p> <p>Children remained indoors on site today as the temperature outdoors with the wind chill was below -20 °C. During inspection, child and staff files were verified and all required licensing documentation was present. Monthly fire drills are being conducted, daily attendance records are being recorded, and parent boards were visible. Evacuation plans were posted throughout the facility as well as signed plans in each staff file. As a reminder, please ensure that minor incident reports are being signed by parents/guardians prior to being filed.</p> <p>Licensing staff recommends for renewal.</p>
