Covid guidelines are being followed and licensing staff was screened and signed in on an attendance record. There should be a log sheet available for visitors to sign. As per discussion with the Administrator it was determined that staff are documenting when changes occur and this is when new children are added, or children leave or when relief staff cover staff etc. Attendance records were reviewed. Please ensure staff are documenting arrivals and departures too! Children were not observed in outdoor play but currently there is a heat warning with a humidex of 40 in place and so children will not be going outdoors today.
