General Comments
<p>The children had finished snack and were getting ready for outdoor play time. The children were observed making snow angels, sliding off the plastic tube, rolling a large snowball and digging with shovels. There is evidence of planned programming throughout the facility as seen by the learning stories, children artwork and weekly planning schedules posted on the walls.</p> <p>This week is "family week". Activities for this week include making a family tree, handprint craft and making a popsicle picture frame.</p> <p>The materials are on low open shelves that are easily accessible to the children. The resources in each classroom labelled in a variety of languages to represent the children in the rooms.</p> <p>The emergency exit in the nap room needs to be shoveled out and a path cleared so there is easy access out of the building.</p>
