24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (f) daily attendance records of the children on forms provided by the Minister.	24(1)(f)	Sep 16, 2025	Sep 16, 2025

Comments:	In one group, a child was not signed in on the attendance sheet. The educator explained that she didn't have enough attendance sheets for all the children in her group. After a few minutes, the administrator brought an additional copy of the attendance sheet so the educator could sign in the child. Deficiency is now compliant

General Comments
The Quality Assurance Monitor is on site to conduct a monitoring inspection.

During the inspection, the Monitor verified staff-to-child ratios and observed the functioning of the groups.

The QAM and the administrator also discussed the ongoing changes to the preschool outdoor play area. Renovations, which were initially expected to be completed by August 1st, are still in progress. It is essential that the changes be completed as soon as possible to ensure the preschool children have access to a space that complies with the Act and regulations |
