General Comments
<ul style="list-style-type: none"> - Visit done at the establishment in the morning for a monitoring inspection. - Ratio was respected during the visit. - A daily incident log is maintained, showing the child's name, date, time, parent signature and a brief description of the incident. - Medication brought into the facility is in the original child safe container with label showing the child's name and dosage, written records are maintained when medications are administered. - Food brought from home is labelled with the child's name and refrigerated as required. Drinking water is provided throughout the day. Snacks are served at least every three hours and meals at mealtimes. - During the visit the facility uses positive child guidance. -Observations: Upon my arrival the children were playing a game of dodge ball in the gym. Some children were dancing, and others were talking among themselves. - Discussion with the operator concerning the portal and the 30-hour training.
