General Comments
<ul style="list-style-type: none"> - Visit completed at the facility in the afternoon for a monitoring inspection. - The ratio was respected during the visit. - During the visit the educators used positive child guidance, they are respectful to each child rhythm and attentive to their needs. - The parent notifies the facility if the child will be absent and indicates whether the absence is due to illness or otherwise. - First aid kit and telephone are accessible on each outing. - Outdoor play area materials and equipment are varied and in sufficient quantity for all children present. The stationary equipment is surrounded by protective surfacing. - Observations: Group A: A group of children were working on a Lego project. (Creating Beyblades and spinners.) All children had snack. During my visit, a parent picked up their child. Group B: The children were working on a group activity of building a fort. Snack time and free play was witnessed. - Discussion with the operator concerning the exterior parc and materials.
