General Comments

- Visit done at the establishment in the afternoon for a monitoring inspection.
- Ratio was respected during the visit.
- A daily incident log is maintained, showing the child's name, date, time, parent signature and a brief description of the incident.
- During the visit the educators used positive child guidance, they are respectful to each child rhythm and attentive to their needs.
- Personal belongings are easily accessible and labelled with the child's name. Each child has its own individual space to put their belongings.
- The center offers a variety of activities to support the interest of the children. Learning stories and pictures are seen in the classroom.
- A clearly visible and prominent place is available in the facility to post all pertinent information.
- The cleaning supplies are stored in a locked space.
- Observations: Handwashing, snack time and free play.
- Discussion with the educator concerning allergies.
