General Comments - Visit completed at the establishment in the afternoon for a monitoring inspection. - During the visit, ratio was respected. - During the visit, six staff members' files were verified. All staff records contained the required checks and documentation. - Outdoor materials are varied and available in sufficient quantity for all children present. - The outdoor play area is maintained in safe conditions. - A daily incident log is maintained; parents are informed and sign the daily log. - Incident report forms are completed and signed by the parent when a reportable incident occurs. The report is sent to the Department within 24 hours of the incident, and a copy is provided to the parent. Incident reports are kept in the child's file. - Each child has an easily accessible space to store their personal belongings, which is labelled with their name and used only for the intended child. - Observations: - Group A: The children arrived from school and had their snack. - Group B: The children arrived from school, had their snack, and participated in free play activities. During free play, the children played basketball, created artwork, played with slime, and some children read books. - Group C: The children ate their snack and participated in free play activities. During these activities, the children played in the dramatic play area, while painting and playdough activities also took place. - The children did not go outside because it was raining. However, they went to the gym for physical activities. - A discussion was held with the director regarding the outdoor play area. Improvements are being made to enhance the outdoor play area.
