39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Jul 17, 2019	
Comments: although cleaners are kept up high, they also need to be locked			

<p>General Comments</p> <p>The ELC home is clean and cozy. There are a variety of age-appropriate materials and toys for the children to play with. The educator is very engaged and responsive with the children and I observed an abundance of positive child guidance during my visit. The children's learning is evident through their play and their displayed work.</p>
