General Comments
<p>On the day of my visit the children had just finished making a video of them singing "Down by the Bay" which Shannon posted on SeeSaw. The indoor space is well set up for the children and there are lots of materials and resources for imaginative play. Shannon is taking her fourth book on Loose Parts and she is enjoying incorporated it into her programming.</p> <p>The outside play area has an Igloo that the children helped build and a skating rink. There were no compliances and all administrative work is up to date and organized.</p>
