General Comments
<p>On the day of my visit I was properly screened upon entry and all Covid protocols are being followed. The children were playing outside and the program was functioning well. Shannon has set up a screened in tent so the children can escape the bugs. Shannon recently completed the outside play training by Lisa Murphy and is implementing this training in her childcare center by taking the indoors outdoors. There is a large garden in the backyard and the children have planted potatoes and spinach so far. Everyone is interested in the birds in the backyard and they have seen bald eagles, hawks, owls, hummingbirds, blue jays and chickadees.</p> <p>The postings in the mud room are up to date. Chris is signed up for his First aid training 2 weeks from now. The program will be closed during the summer.</p>
