General Comments
<p>Operator has been busy with the children the last few months. Tuesday mornings they go the library for story time and on Thursday mornings Francobulles for a French class.</p> <p>The operator creates conversation by asking opening ended questions such as "What do you think is happening in the picture" and "tell me about the picture you just drew".</p> <p>The operator stated that the children have been extremely interested in crafts and painting. There were plenty of open-ended craft supplies and mark making materials avail for the children to use.</p> <p>During my visit the operator had a fire drill. The children told me they do and where they meet outside.</p> <p>Positive child guidance was observed during the visit.</p>
