Order for Compliance	Regulation	Date to be corrected	Date corrected
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Jun 26, 2019	Jun 26, 2019
Comments: Although most cleaners are locked up, Lysol wipes must also be locked.			

<p><b>General Comments</b></p> <p>The classrooms are spacious and is set up in developmentally appropriate ways. There are a variety of materials and activities for the children, and I observed lots of positive child guidance by the educators. There is an abundance of evidence of children's learning in colorful and informative documentation throughout the center. Everything was put into compliance during my visit and I recommend for licencing.</p>
