Order for Compliance	Regulation	Date to be corrected	Date corrected

**General Comments**

On the day of my visit the classrooms were nicely set up for the children's use. The main theme at this time of year is Christmas and in spite of this excitement the children were calm and the noise levels were quite low.

The children had outside play and the center has a dryer in case their clothes become too wet. I met with Rebecca, the designated Administrator, to review Administrative documents as Lynette was out today.
